This Certificate is valid from **2023-02-16** to (inclusive) **2026-02-15**.

This Certificate is issued on **2023-02-16**.

for **DNV**

.....
Moraes, José Guilherme
Surveyor

This Certificate may be withdrawn if:

1. The service provided has been improperly carried out or the results improperly reported.
2. The surveyor has found any deficiencies in the accepted operating systems of the service supplier.
3. The firm has failed to inform of any major changes having effect on the quality of the service rendered.
4. The conditions listed in the certificate are changed and/or are not fulfilled.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Application:

The Approval is granted for In Water Survey for ships and mobile offshore units by using Under Water Remote Operated Vehicle (ROV) only.

For limitations refer to "Remarks".

Under-water ROV equipment including but not limited to: VideoRay's Pro 4, Mission Specialist Pro 5 & Mission Specialist Defender and Ocean Module's M500 & Sii

The Approved company portfolio includes services not approved by DNV:

- 3D Mechanical Sonar Scanning
- Cavitation Cleaning
- Cathodic protection Testing
- Ultrasonic Thickness Gauging (UT)

Remarks:

1. The requirements stated in DNV-CP-0628 for ROV Approval Programme are met. The approval is conditional upon the firm maintaining the audited scheme and notifying DNV of any significant changes in personnel, equipment or procedures.

2. Approved quality documents are filed under DNV Nauticus Certificate Production ID: A1307160.

3. List of approved operators and supervisors is filed Nauticus Certificate Production jobs A1307160. It is the obligation of the firm to follow their approved training programmes and assign the tasks to the qualified personnel as required for each service category and approved by DNV. The supplier shall maintain an updated list of the qualified personnel, including evidence of the changes with relevant information to DNV.

4. This Certificate does not include Non-Destructive Testing (NDT), rudder and tailshaft bearing measurements on Classification projects.

5. For every diving campaign, Atalntas Marine is to set up a kick-off meeting with DNV Attending Surveyor to address:

- Inspection plan review,
- Records of ROV Supervisors and Authorised Personnel in the project,
- Diving and equipment limitations,
- Class and Flag approval strategy, when applicable.
