ROV Pilot/Supervisor Questionnaire

1. Personal Details

Full Name:

Email Address:

Contact Number (inc. Country Dialling Prefix e.g. +44):

Current Location:

Nationality:

Business Status: Are you operating as a Limited Company, Sole Trader, or Partner in a Limited Company? (Select one)

Sole Trader

Limited Company

Provide company name/number:

Partner in a Limited Company

Provide company name/number:

Guidance: This helps us ensure compliance with IR35 regulations. Limited Company or Sole Trader is preferred to confirm independent status.

ROV Pilot/Supervisor Questionnaire

UK Work Visa: Do you hold a valid UK work visa or right to work in the UK? (Select one)

No

Yes, UK Citizen

Yes, Valid visa

Specify visa type/expiry if applicable:

Work Eligibility (International): Are you eligible to work internationally (e.g., valid visas for EU, Asia Brazil)? (Select all that apply)

No

Yes, EU & UK

Yes, Globally

Provide details of current, valid visas

ROV Pilot/Supervisor Questionnaire

Passport: Do you hold a valid passport? (Select one)

No

Yes

Passport expiry date:

Medical: Do you hold a valid offshore medical certificate (e.g., OGUK, ENG-1)? (Select one)

No

Yes

Certificate type & expiry dates (e.g., OGUK, ENG-1)

Offshore Survival: Do you hold a valid BOSIET/FOET with CA-EBS? (Select one)

No

Yes

Qualification expiry date:

ROV Pilot/Supervisor Questionnaire

GWO Certification: Do you hold a valid Global Wind Offshore (GWO) certificate? (Select one)

Yes

GWO Expiry date:

No

If not, are you willing to obtain?

Yes

No

2. Professional Details

ROV experience: How many logged hours do you have as an ROV Pilot/Technician? (Select one)

<100 hours

100-500 hours

>500 hours

ROV systems Operated: Which ROV systems have you piloted or maintained? (Select all that apply)

Ocean Modules M500/Sii V8

VideoRay Mission Specialist Series

Saab Seaeye Falcon

Other (specify):

ROV Pilot/Supervisor Questionnaire

Atlantas Marine Experience: Have you worked with Atlantas Marine ROVs or Teams? (Select one)

No

Yes (briefly describe):

Project Types: In which environments have you operated ROVs? (Select all that apply)

Offshore Energy (Oil & Gas)

Renewables

Defence/Naval

Nuclear

Scientific/Survey

Other (specify):

ROV Pilot/Supervisor Questionnaire

Typical Duties: Briefly describe your primary site responsibilities:

Level of Responsibility: What is the highest role you've held? (Select one)

Pilot I

Pilot II

Senior Pilot

Supervisor

Superintendent

Client & Vessels: List key clients, operators, vessel types, and operations you've worked with/on?

3. Technical Skills & Competence

Subsea Tooling: Which tooling/inspection systems are you experienced with? (Select all that apply)

NDT (e.g., CP, UT, FMD)

SONAR MBES

SONAR Side Scan (SSS)

Magnetometer

Manipulators

Please list manufactures/types:

SONAR 2d Multibeam

Please list manufacturers:

Other (specify):

ROV Pilot/Supervisor Questionnaire

Technical Qualifications: List ROV manufacturer courses, trade skills, or certifications

Tether Management: Are you familiar with Fibre optic and copper re-terminations? (Select all that apply)

Yes (Fibre)

Yes (Copper)

No

ROV Pilot/Supervisor Questionnaire

Maintenance experience: Describe your experience with preventative maintenance and corrective maintenance (e.g., EV teardowns, board diagnostics, software configurations)

Internal Training: Are you willing to come to our HQ in Yeovil, Somerset, UK, and conduct in-house training (maintenance and operations) on your own time if accommodation is provided? (Select one)

Yes

No

4. Operational Readiness

Availability: Are you available for offshore/international deployment in April 2026 to September 2026

(Select one)

Yes

Specify availability (e.g. April and March 2026):

No

Notice Period: What is your current notice period? (Select one)

< 2 weeks

2 – 4 weeks

> 4 weeks

Contract Preference: What type of work do you prefer? (Select one)

Short Term (<1 week)

Medium Term (1 – 3 weeks)

Long Term (>4 weeks)

ROV Pilot/Supervisor Questionnaire

Preferred Regions: Where are you willing to work? (Select all that apply)

UK

Europe

Asia

Middle East

Africa

South America

Global

Mentoring (Pilot Supervisors Only): Are you open to training or mentoring junior pilots as part of Atlantis Marine's Team? (Select one)

Yes

No

5. Safety & Compliance

Atlantas Marine prioritises safety in all offshore operations, adhering to ISO45001:2018 and IMCA standards. Provide detailed responses to demonstrate your commitment to safe ROV operations.

Incident/Near-Miss History: Have you been involved in any offshore incidents or near misses?

(Select one)

No

Yes

Summarise incident or near-miss, your role, actions taken, and outcome; 100-200 words:

Guidance: Include details like equipment damage, environmental impact, or personal safety risks, and how the situation was resolved.

ROV Pilot/Supervisor Questionnaire

Proactive Incident Avoidance: Describe a specific instance where you stopped operations/movements, refused an unsafe ROV launch, or took action to prevent equipment damage, personnel injury, or environmental harm. What factors did you assess, and what was the outcome? (100-200 words)

Guidance: Highlight risk assessments, SOP adherence, or communication with supervisors/clients (e.g., halting a launch due to tidal conditions, Sig Wave, faulty tether, other unsafe conditions)

ROV Pilot/Supervisor Questionnaire

Safety Contribution: How do you ensure safety and operational excellence in offshore environments?
(100- 200 words)

Guidance: Focus on specific practices (e.g., pre-dive checks, toolbox talks, compliance with client SOPs, mentoring team on safety protocols).

6. References, Supporting Documents

Uploads: Attach PDF versions of your CV and certificates when submitting your documents.

References: Provide two professional references (name, position, company, contact details)
